WELCOME TO
SOUTHERN ILLINOIS UNIVERSITY
SIU COLLEGE OF EDUCATION
CARBONDALE AND HUMAN SERVICES

We in the College of Education and Human Services Academic Advisement Office are pleased that you have decided to attend SIUC and pursue an academic major with us. It is our wish that we serve you well and help make your experience a pleasant one. As advisors, we will assist you in planning your academic career and selecting appropriate courses to meet degree, University, and national requirements for graduation and certification. We can also help you choose options for course registration. Further, we can assist you with referral services, transfer information, important dates and deadlines, graduation information, and changes in programs or procedures.

Feel free to contact us if you have any questions or concerns regarding your academic career. We have purposely scheduled “walk-in” time for each advisor. Please stop by and help us become better acquainted with you.

This handbook is designed to provide information and serve as a reference while you pursue your undergraduate degree in the College of Education and Human Services (COEHS). It also includes information on specific degree requirements, major course requirements, the Teacher Education Program (TEP), State certification, and University and College policies and rules. It also provides helpful advice on advisement, registration and completion of a degree in a timely manner.

Be sure to stop at the Advisement Office (WHAM 122) and pick up a curriculum guide for your major (or go to http://web.coehs.siu.edu/Public/undergrad_progs.php). It will help you keep track of courses taken, grades received and requirements remaining for graduation. Because the College offers certification and non-certification degrees, individual major requirements are quite different.

MINIMUM REQUIREMENTS FOR BACHELOR OF SCIENCE DEGREE*

Total Hours:	120 Semester Hours
Residency Requirement:	Last 30 Semester Hours <u>OR</u> Total of any 90 Semester Hours
Senior Institution Hours:	60 Semester Hours at Senior (4-year) Institution
Grade Point Average:**	2.0 SIUC GPA <u>AND</u> 2.0 Major GPA

- * **NOTE: Please be aware that these are the MINIMUM hours and GPA required by SIUC for graduation. Be sure to check with your academic advisor regarding specific requirements for your major. Many majors have different GPA requirements. This should be noted on your curriculum guide, the undergraduate catalog, and/or you may ask your academic advisor.**
- ** **TEACHER EDUCATION PROGRAM: Requires a 2.75 OVERALL GPA (All college work, including transfer credit, is calculated) for admission and a 2.75 Major GPA to be eligible for Student Teaching. An Alternative Admission Standard is available for those students whose GPA is below 2.75.**

REGISTRATION PROCEDURES

Advisors:

Your College of Education and Human Services advisor is a trained professional who is cognizant of the rules and regulations pertaining to University, departmental and State requirements. The role of the advisor is to assist you in meeting your academic and career goals.

Advisement:

Before registering for specific courses, you must see your College of Education and Human Services advisor. At this meeting, you will discuss course options, prerequisites, major requirements, University core requirements and academic progress. You and your advisor will work in a partnership atmosphere attempting to meet your individual needs and time schedule prior to arranging a definite program. It is critical to make an early appointment for academic advisement if you want to build a schedule that reflects your needs.

The University stresses the importance of the academic advising function. Insistence on receipt of college and high school transcripts and ACT or SAT scores prior to admission serves not only to determine admission but also provides information upon which to base program decisions. You and your advisor may use these scores to determine the level of difficulty of your courses or if you should attempt to proficiency some courses through institutional exams or College Level Examination Program (CLEP).

Advising individual students about program requirements and progress to degree is a service provided to you. It does not relieve you, the student, of the responsibility for knowing your program requirements. You must confer with your advisor if you have questions about your program or progress to degree.

Registration:

After you and your advisor have selected classes, you will register for classes via online registration. This will secure your enrollment in specific course sections. New students will need a Registration User Number (RUN) before they can register for classes.

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program change be approved permitting registration in that class. Students should complete the registration process before classes begin.

Add/Drop:

After you register, you will have the opportunity to make changes to your schedule. If you want to drop a course, add a course, or change a section, you must do so online. Check on Saluki Net or in this handbook for deadline dates. If you drop off a closed class card to the advisement office, you still have to add the course online.

Withdrawal:

If you have officially registered for classes and find you are unable or unwilling to attend or complete the semester (prior to Week 8), you must officially withdraw. Simply leaving school does not constitute

a withdrawal. Discussion of procedures may be found in the SIUC Undergraduate Catalog or you may discuss your options with your advisor. The Office of Transitional Programs handles this process. They are located in Woody Hall A102 and their phone number is (618) 453-7041.

Course Drops. Students officially drop courses through the program change process. It is the student's responsibility to ensure that the drop process is officially completed. It is probable that a student, who does not drop by the deadlines, but stops attending during the second half of the semester, will receive a grade of *WF* or *F*.

Note: Ceasing to attend a course may also affect a student's financial aid eligibility. The *WF* counts as an *F* in the calculation of the GPA. Students who drop courses after the full refund deadline but remain enrolled in the University will not receive any refund.

TEACHER EDUCATION PROGRAM

The Teacher Education Program (TEP) at SIUC is fully accredited by the National Council for Accreditation of Teacher Education (NCATE) and its programs are approved by the Illinois State Educator Preparation and Licensure Board. The Teacher Education Program is administered through the College of Education and Human Services and includes majors from the College of Education and Human Services, the College of Science, the College of Liberal Arts, and the College of Agricultural Sciences. The Teacher Education Program offers 18 majors at the undergraduate level, including early childhood education, elementary education, secondary education, and in special education, art education, foreign language education, music education and physical education. Initial licensure for secondary majors is offered at the graduate level through the Masters of Arts in Teaching program.

Admission to the College of Education and Human Services **DOES NOT** guarantee admission to the Teacher Education Program. ALL students seeking state teacher certification (licensure) must first be admitted to the Teacher Education Program. Listed below are the specific requirements for admission. Application packets and information are available in Wham 135 or online at:

<http://tep.ehs.siu.edu/apply.htm>.

Admit Dates:

Students are admitted at various times throughout the year to the Teacher Education Program. Contact the Office of Teacher Education at 618-453-2354 for more information on deadlines. Admitted two times per year: August 15th for Fall semester and January 10th for Spring semester.

Admission Policy:

A student is eligible to make formal application for admission to the teacher education program when the following criteria have been met:

1. *A minimum of 30 semester hours of completed college work;*
2. *an overall grade point average of 2.75 or better (4.0 scale);*
3. *completion of ENGL 101, ENGL 102 and EDUC 210 with a grade of "C" or better;*
4. *two recommendations from college/university instructors;*
5. *Special Education majors must provide documentation of one-hundred (100) clock hours of experience, paid or unpaid, working with individuals with disabilities;*
6. *a copy of the official score sheet showing a passing score on the Test of Academic Proficiency or Basic Skills Test;*
7. *passing of five technology quizzes;*
8. *a complete application packet (see link above)*

The admission packet may be submitted only when the application is completed and all the requirements have been fulfilled.

The program coordinator and/or department chair in the following majors must also admit students as part of the TEP admissions process:

Agriculture	Business Education
Biological Sciences	English
Foreign Languages	Mathematics
Music	

Students in these majors need to contact the program coordinator in the respective departments or the TEP website before the admission deadline to obtain a signed departmental approval to submit with their TEP application.

ISSUES THAT CREATE PROBLEMS FOR STUDENTS

Often, problems arise that could easily have been solved “if only...” The following are examples of some of the issues that create problems for students:

Not asking questions: If you have a question, no matter how trivial you might think it is, ASK YOUR ADVISOR!!

Not reading: Important information regarding rules, regulations, deadline dates, etc., may be found in the SIUC Undergraduate Catalog (<http://registrar.siu.edu/catalog/undergraduatecatalog.html>) and the SIUC Schedule of Classes (<http://registrar.siu.edu/schedclass/>).

Listening to other students: Students can receive misleading information from other students due to differences in majors, colleges, etc. If you hear something and think it concerns your major, ASK YOUR ADVISOR.

Advisement Appointments: Advisement appointments for advance registration are important to you. Be sure to (1) Schedule an appointment as soon as possible and (2) KEEP YOUR APPOINTMENT. If you find that you are unable to keep your appointment, contact your advisor before your scheduled appointment time to reschedule. In order to receive several of the overrides needed to register for certain courses you must have an advisement appointment.

Teacher Education Restricted Classes: (1) REMEMBER, you MUST register for Student Teaching! (2) There are several courses in the Professional Education sequence that are restricted. AFTER you see your advisor, you must obtain the proper authorization from your academic advisor to enroll in these courses. They include: EDUC 213, 313, 316, 322, 329, 400 and 401.

Addresses: It is vital that the University has your correct address. **It is important that we have your local telephone number or cell phone number and your current e-mail SIUC account address.**

UNIVERSITY CAREER SERVICES

SIUC Career Services is a comprehensive career planning and employment services agency dedicated to preparing students and alumni to take a lifelong, active part in their professional development to improve marketability with potential employers and successful college-to-work transition.

- **On-Campus Recruiting and Job Postings**
- Workshops for Faculty and student groups
- **Events and Job Fairs**
- One-on-one Counseling
- **Major and Career Exploration**
- Internship and Job Searches

Go to <http://careerservices.siu.edu> to learn more about Career Services.

SALUKI CARES

Purpose:

The purpose of Saluki Cares is to develop, facilitate and coordinate a university-wide program of care and support for students in distress. By working closely with faculty, staff, students and their families, SIUC will continue to display a culture of care and demonstrate to our students and their families that they are an important part of the community.

Saluki Cares is an early alert initiative composed of professionals from different areas of campus life who deal with students on a regular basis: Academic Support, Academic Affairs/Faculty, Enrollment Management, Student Life & Intercultural Relations, New Student Programs, and others. All concerns remain confidential.

Referrals are made from faculty, staff, parents, other students, or by the student him/herself. The Saluki Cares team can help students with issues surrounding, but not limited, to:

- deaths (student/family)
- extended illnesses
- financial stress
- adjustment issues
- class attendance problems
- homesickness
- and other general signs of stress

UNDERGRADUATE STUDENT GRIEVANCE POLICY

Undergraduate students in the College of Education and Human Services, Southern Illinois University Carbondale shall have the right to appeal for redress of grievances through established channels under the conditions stated below. Access to these channels is restricted to complaints by students alleging that some member of the College of Education and Human Services community has caused the student to suffer some specific harm related to: 1) the award of a course grade; 2) admission to and/or retention in the Teacher Education Program (TEP); 3) academic advisement; or 4) graduation. Grievances which have been brought to a hearing under another campus grievance procedure shall not be brought to a hearing under this procedure.¹

GRIEVANCE OF A COURSE GRADE

With respect to students' complaints alleging capricious grading, the following guidelines shall apply: instructors are expected to evaluate student work according to sound academic standards. Equitable requirements should be required of all students in a class, and grades should be assigned without departing substantially from announced procedures. It is the instructor's prerogative to assign grades in accordance with his/her academic/professional judgment, and the student assumes the burden of proof in the appeals process. Grounds for appeal include: (1) the application of non-academic criteria in the grading process, as listed in the University's nondiscrimination and affirmative action statements: race, color, sex, national origin, religion, age, sexual orientation, marital status, or handicap; (2) the assignment of a course grade by criteria not directly reflective of performance relative to course requirements; and (3) the assignment of a course grade by standards different from those which were applied by the instructor to other students in the course.

Academic Grievance Procedure

An undergraduate student seeking redress through grievance (appellant) must first attempt to resolve the matter informally by contacting the party against whom redress is sought (respondent). If the dispute is not resolved at this stage, the student should contact the respondent's unit chair/director, who will attempt to resolve the dispute. In the event that the dispute is not resolved informally, a student may ask for and receive a hearing at the unit level. If a final grade has been assigned, the grade must be changed to an "incomplete" until the grievance process has been completed. If the incident occurs during the spring semester and the student will not be in residence for the summer semester, she/he may request an extension of the deadline to the fall semester following by petitioning the unit chair/director in writing. Such a request shall normally be granted as long as the petition is received on or before the 10th day of classes of the summer term following; however, the final decision is that of the unit chair/director.

The request for a hearing must state the following:

1. Name of the grievant.
2. Program in which the grievant is enrolled.
3. Name and title of the person(s) against whom the grievance is being filed.
4. Current address and phone number of the grievant.
5. Statement of the grievance including descriptions of the incident(s) involved, dates(s) of occurrence, what remedy is being sought, as well as any supporting documents.

¹Cases involving academic dishonesty will be handled according to the Student Conduct Code. Matters involving graduate students will be handled according to the Academic Grievances Procedures in the *Graduate Catalog*. Separate grievance procedures exist for cases covered by the University Policy on Sexual Harassment, the Policy Accommodating Religious Observances of Students, the

Policy on Release of Student Information and Access to Student Records at Southern Illinois University, the Policy on Immunization of Enrolled Students, the Policy on the Determination of Residency Status, and the University's response to comply with *Americans with Disability Act*. These procedures are published in the Undergraduate Catalog. Undergraduate students employed as student workers are covered by a student worker grievance procedure, which is administered by the Financial Aid Office.

Unit Action On Grievance

Upon receiving a written request for a hearing regarding an academic grievance, the unit chair/director shall send the respondent a copy of the grievance, who will provide the unit chair/director with a written response within fifteen days. The unit chair/director shall then consider the grievance and response, or forward the grievance and response to the unit's grievance committee for consideration. If the matter will be heard by a grievance committee, the unit chair/director shall notify the parties of the identity of the individuals who have been selected to serve on the grievance committee.³ The participation of any committee member may be challenged for cause. If the unit chair/director determines that the challenge is valid, she/he shall name a substitute.

The unit chair/director or committee chair shall request of both parties copies of any documents and a list of witnesses they wish to introduce. These must be submitted within fifteen days of receipt of the request. The unit chair/director or committee chair shall convene a hearing within fifteen days of receipt of the substantiating documents. These documents shall be available to both parties at least five days prior to the hearing.

The hearing shall be conducted by the unit chair/director or by the committee according to the hearing procedures which are outlined in the Appendix. In the absence of compelling circumstances, the unit chair/director shall render a decision within fifteen days, or the grievance committee shall make its recommendation on the grievance to the unit chair/director within fifteen days after the conclusion of the hearing.

²hereinafter 'day' refers to all days when classes are in session excluding holidays and weekends.

³Unit Undergraduate Student Grievance Committee: A unit undergraduate student grievance committee will be advisory to the unit chair/director and will submit its findings and recommendations to the chair/director. The committee shall consist of three members. The unit chair/director may designate an existing department committee to serve in such capacity (subject to the qualifications listed herein), or may appoint an ad-hoc undergraduate student grievance committee. The members of the committee shall be appointed whenever possible from the unit in the college in which the grievance arose. Of those members, two shall be appointed from the full-time faculty and one shall be appointed from the undergraduate student body in good academic standing. The undergraduate student grievance committee shall meet and elect its chair from among the faculty membership. Any faculty member involved in the dispute shall not be appointed to the grievance committee.

Upon receipt of the committee's recommendation, the unit chair/director shall decide to accept or reject the committee's recommendation and render a decision on the grievance within fifteen days. The decision and the reasons for it shall be submitted in writing to the parties, to the committee members, if any, and to the Dean of the College of Education and Human Services at the same time.

The unit chair/director shall advise the parties of their right to appeal to the Dean of the College of Education and Human Services. Hearings of appeals will not be automatically granted. Dissatisfaction with the decision shall not be sufficient grounds for appeal. The appellant must demonstrate that the decision at the unit level was in error.

GRIEVANCE OF ADVISEMENT OR ADMISSION/RETENTION/GRADUATION DECISIONS

With respect to students' complaints relating to admission to and/or retention in the Teacher Education Program, the Director of Teacher Education, College of Education and Human Services, will hear the student's complaint. Complaints concerning academic advisement and graduation will be heard by the Chief Academic Advisor, College of Education and Human Services. The Director of Teacher Education or the Chief Academic Advisor will consider evidence, render a decision, and notify the student of the decision in writing within fifteen days of the meeting with the student. A student who wishes to appeal the decision of the Director of Teacher Education or the Chief Academic Advisor must follow the appeals process within the College of Education and Human Services listed in this document.

APPEALS OF DECISIONS BY THE UNIT, DIRECTOR OF TEACHER EDUCATION, OR CHIEF ACADEMIC ADVISOR TO THE DEAN, COLLEGE OF EDUCATION AND HUMAN SERVICES

Filing An Appeal

If an undergraduate student wishes to appeal a decision of the unit, Director of Teacher Education, or Chief Academic Advisor, she/he must file a written appeal with the Dean of the College of Education and Human Services within twenty days of receipt of the lower decision. The appeal must state the following:

1. Name of the appellant.
2. Program in which the appellant is enrolled.
3. Name and title of the person(s) against whom the original grievance was filed.
4. Current address and phone number of the appellant.
5. Copies of the original statement of grievance, the response by the person against whom it was filed, supporting documents, as well as a statement of what remedy is being sought.
6. Summary of grievance proceedings held at the unit level and the decision(s) rendered at that time.
7. Statement of why the previous decision may be in error.
8. Request, if desired, for either an administrative or grievance appeal hearing.

Upon receiving a written appeal, the Dean⁴ shall determine whether or not the appeal has merit (sufficient grounds) and should move forward. If so, the Dean will at the same time, determine whether the hearing agent will be administrative or a committee. If it is determined that the appeal does not have merit, the Dean will inform both parties in writing of the reason(s) for denial within fifteen days.

Procedures for Appeal Hearing in the College of Education and Human Services

The Dean of the College of Education and Human Services is responsible for making the final decision in the appeal of a grievance decision by the unit chair/director, Director of Teacher Education, or Chief Academic Advisor. If the appeal will be heard by a committee, the Dean will direct the College Advisory Committee to select a hearing committee to hear the case and submit a recommendation to the Dean. This is done according to the following procedures:

- a. The College Advisory Committee selects a hearing committee composed of at least three faculty members, along with one graduate and one undergraduate student. While members of this committee will usually be members of the Advisory Committee, it may be necessary, in some instances, to select members from outside the committee. The hearing committee shall meet and select a chair from the faculty membership.
- b. All parties have the right to present evidence on their behalf. Any new evidence introduced in the appeals process must be on file with the chair of the College Advisory Committee one week prior to the student's scheduled hearing. All new materials will be distributed to both parties involved in the appeals process at that time.
- c. All parties have the right to bring witnesses. The student may bring an advisor who will not be permitted to address the committee directly on appeals from the chairs. In the following three situations only, the student may have advice and assistance in preparing and presenting the appeal:
 - (1) Appeals concerning admission to the Teacher Education Program;
 - (2) Appeals concerning retention in the Teacher Education Program; or,
 - (3) Appeals concerning recommendation for certification.
- d. The hearing committee meets within fifteen days of the receipt of the student's appeal, and the student is sent notification of the time and place of the hearing by the committee chair no later than five days prior to the hearing.
- e. The hearing committee arrives at a decision on the basis of a simple majority. The recommendation of the committee is relayed in writing by the committee chair to the Dean of the College of Education and Human Services within fifteen days of the conclusion of the hearing.

⁴The Dean may appoint a designee to assume his/her responsibilities pertaining to all matters relating to a grievance appeal.

- (1) Appeals concerning admission to the Teacher Education Program,
 - (2) Appeals concerning retention in the Teacher Education Program; or,
 - (3) Appeals concerning recommendation for certification.
- f. The hearing committee, as described above, is not expected to meet during the first two weeks nor the last two weeks of a semester, nor will it usually meet during vacation periods or summer. During these times, an administrative hearing officer chosen by the Dean may substitute for the committee, or the Dean may choose to hear the case.
 - g. The Dean of the College of Education and Human Services makes the final decision within the College of Education and Human Services and notifies the student, in writing, of the decision within fifteen days of the receipt of the committee's recommendation.

Appeal of the decision by the Dean of the
College of Education and Human Services

If the individual is not satisfied with the decision of the Dean of the College of Education and Human Services, a written argument stating the reasons for such dissatisfaction may be submitted to the Vice Chancellor for Academic Affairs and Provost, Southern Illinois University Carbondale, within fifteen days after the date that delivery of the decision was tendered by the U.S. Postal Service to the individual. Such written argument shall be attached to the Dean's decision and remain therewith throughout the remainder of the process.

Appendix (Undergraduate Student Grievance Policy)

UNIT HEARING PROCEDURES

1. The principal parties to the grievance shall have the right to be accompanied by an advisor of their choice. The advisers may speak on behalf of their clients only with the approval of the unit chair/director, the Dean of the College of Education and Human Services, or the grievance committee.
2. All hearings shall be open unless either of the parties requests that the hearings be closed. If the hearing is closed, only the parties, their advisers, and either the unit chair/director or the Dean or the grievance committee shall be present during the taking of evidence. Witnesses for either party shall be present only while giving testimony if the hearing is closed.
3. All hearings shall be audio recorded. The recording will be deposited in the office of the unit chair/director at the conclusion of the hearing. These recordings shall be stored for five years after which time they will be destroyed.
4. Each party may call witnesses to present evidence. Each party shall have the right to examine any witness called by the opposing party. If a witness is unable to appear, the committee may allow depositions. If the presence of a witness is required to ensure fairness to all parties and the witness is physically unable to attend, the hearing will not be postponed. Rather, while testimony of such witnesses by audio recording, by telephone conference, by letter, by facsimile, by email, or by video conferencing is considered less viable, it may be allowed.
5. The grievance committee will arrive at a decision based on a simple majority vote. However, the unit chair/director or the Dean may reject the recommendation by the committee. The unit chair/director or Dean will decide all matters, procedural and substantive.
6. Each party may make an opening and a closing statement.
7. Decisions by the unit chair/director or the grievance committee will be based on the preponderance of the evidence.

NOTE: The undergraduate student grievance policy presented in this document was adapted for use in the College of Education and Human Services, Southern Illinois University Carbondale from the undergraduate grievance policy published by the College of Liberal Arts, Southern Illinois University Carbondale with the permission of Dr. Alan Vaux, Dean of the College of Liberal Arts provided on January 15, 2010.
