Autism Community Workshops
at the LIFE Community Center (2500 W. Sunset Dr.)

2nd Wednesday of the month 5:30-6:30pm

For Parents and Professionals!

2017 Spring & Summer Schedule

March 8th: Managing severe behavior and stereotypy

April 12th: Feeding and mealtime difficulties

May 10th: Troubleshooting toilet training

June 14th: Improving language & communication

All trainings are provided by Dr. Erica Jowett Hirst, Ph.D., BCBA-D. Dr. Jowett Hirst is an Assistant Professor of Behavior Analysis and Therapy at Southern Illinois University, Carbondale, a doctoral-level Board Certified Behavior Analyst, and a child behavior specialist with over 14 years of experience working with children with autism and training parents and professionals.

For more information about workshops or services, call (618) 536-2122 or email casd@siu.edu.
