

Curriculum Vita

Jonathan Claude Baker, Ph. D., BCBA-D

Personal Information

Office Address: Rehabilitation Institute
311A Rehn Hall
Southern Illinois University Carbondale
1025 Lincoln Drive
Carbondale, Illinois 62901

Office Phone: (618) 453-8270

Email Address: jonathan.c.baker@siu.edu

Employment History

2013 to present Associate Professor, Rehabilitation Institute, Southern Illinois University Carbondale

2009 to 2013 Assistant Professor, Rehabilitation Institute, Southern Illinois University Carbondale

2008 to 2009 Faculty Specialist I, Western Michigan University

Educational History

2009 Western Michigan University
Degree: Ph. D. in Behavioral Psychology
Dissertation: Acceptability of interventions to staff in long-term settings for older adults: Comparing ratings and hierarchical selection
Chair: Linda A. LeBlanc

2005 University of Kansas
Degree: M. A. in Applied Behavioral Science
Thesis: Staff administered functional analysis and treatment of aggression in an older adult with dementia
Chair: R. Mark Mathews

2003 Western Michigan University
Major: Psychology
Minor: Biological Sciences
Degree: B.S.

Thesis: Utilizing the Six Steps of Behavior Systems Analysis to Improve a Graduate Practicum
Advisor: Richard W. Malott, Ph.D.

Courses Taught

Fall 2011, 12, 13 REHB 505, Behavioral Gerontology
Course designed to covered applied research on behavior analytic approaches to addressing aging related issues

Spring 2011 REHB 545, Behavior Analysis in Developmental Disabilities
Course designed to familiarize students with the contemporary behavior-analytic research on the treatment of individuals with developmental disabilities

Spring 2011 REHB 493, Clinical Evaluation
An examination of the quantitative methods utilized in behavioral research. Topics include behavioral observation, inter-observer agreement, single-case and between-subject designs, and data analysis.

Fall 2010 REHB 205, Disease and Disability
This course focuses upon the common characteristics of physical, sensory, developmental, medical, and psychiatric disabilities, including: (a) definition and classification; (b) diagnostic criteria and the biological, cognitive, behavioral, and social aspects of each particular disorder; (c) the prevalence, incidence rates, common causes, and the course for each of the disorders,.

Summer 2010 REHB 509b, Behavior Analysis Research Designs: Group Experimental Designs
The purpose of this course is to provide a foundation in applied research methods pertinent to program evaluation, group experimental design, and related data analysis.

Spring 2010, 12, 13 REHB 406, Introduction to Behavior Analysis
Summer 2011, 12 The purpose of this course is to introduce students to the field of behavior analysis by way of its core principles. The course is devoted to the study of operant and respondent conditioning and their application to and interpretation of human behavior

Spring 2010, 11, 12, REHB 446, Psychosocial Aspects of Aging
13 The purpose of this course is to examine the numerous psychosocial factors involved in adjustment to the aging process. The course covers not only changes within the individual, but also changes within the societal setting.
Summer 11,12

Fall 2009, 11, 12, 13 REHB 574, Staff Training and Development

Spring 2010	An examination of techniques and skills necessary to work with staff in both human services and OBM settings, covering cost benefit analyses, staff training, problem solving staff performance, and developing sustainable staff training programs.
Fall 2009, 10, 11	REHB 407, Basic Practices in Rehabilitation Introductory course designed to familiarize students with the concept of general human service professional, covering issues like interview techniques, advocacy, ethics, pharmacology, and other professional topics.
Spring 2009	Psychology 6680, Analysis and Treatment of Developmental Disabilities Treatment course designed to familiarize students with pragmatic issues in the application of behavior management and behavior analysis techniques to clients who are mentally retarded or traumatically brain injured.
Fall 2008 Spring 2009	Psychology 3300, Research Methods An examination of the quantitative methods utilized in behavioral research. Topics include behavioral observation, inter-observer agreement, single-case and between-subject designs, and data analysis.
Fall 2008 Summer 2009	Psychology 4600, Survey of Behavior Analysis Research An overview of diverse topics of behavior analysis research and applications. Topics include; clinical psychology, child psychology, behavioral medicine, environmental quality, developmental disability, education and geriatrics.
2006-2007	PSY 3970 (Practicum in Aging) Graduate Assistant - Oversaw, trained, assessed, and graded undergraduate practicum students and advanced practicum students on implementing behavior plans, collecting data, and administering assessments. Weekly meetings covered clinical issues, as well as relevant issues related to aging, behavior analysis, and professional development.
Fall 2005 Spring 2006	Graduate Assistant , PSY 4280 (Psychology of Aging) - Assisted professor with continuing to develop previously established curriculum; graded tests; graded final papers and class assignments; organized and ran study sessions.
2005	ABS 671/861 (Applied Behavior Analysis) Graduate Teaching Assistant - Assisted professor with day to day teaching needs, including setting up and maintaining Blackboard site, scanning documents, grading undergraduate papers, etc., as well as teaching occasional classes throughout the semester.
2005	ABS 848 (Applied Gerontology: Practice and Interventions)

Graduate Teaching Assistant, Assisted professor with day to day teaching needs, as well as teaching occasional classes throughout the semester.

Current Research Projects in Data Collection

Baker, J.C., Seefeldt, D., Fairchild, K., Hood, S., & Ringdahl, J.. Reinforcement and Extinction-induced behavioral variability in older adults with moderate to severe dementia.

Baker, J.C., Fairchild, K., Mellor, J., Hood, S., & Seefeldt. Development and treatment utility of a behavioral assessment for aphasia.

Baker, J.C., Fairchild, K., Hood, S., Vargo, K., Seefeldt, D., & Neurenberg, J. Assessment and treatment of elopement in nursing home residents with dementia.

Baker, J.C., Fairchild, K., Beattie, S., & Hood, S. Activity engagement in nursing homes: Identifying effective recruitment techniques, preferred activities, and efficacious presentation methods.

Loizon, D., & Baker, J. C. (thesis). Environmental changes and their effects on data collection.

Perkins, S., & Baker, J. C. (thesis). Video modeling social skills to adults with autism.

Takeguchi, K., & Baker, J. C. (thesis). Maintenance of staff implementation of function based intervention for challenging behaviors in nursing home dwelling older adults with dementia.

Pingolt, R. & Baker, J. C. (thesis). Confusion or Strategy? Reasons for Wandering Among Older Adults with Dementia in Long-term Care Facilities

Beattie, S. & Baker, J. C. (thesis). Evaluation of Preference and Subsequent Stimulus Engagement among Older Adults with Dementia

Theses and Dissertations Completed

2009 **Mattingly, J.** (thesis). Extinction-induced behavioral variability in older adults with dementia.

2010 **Trahan, M.** (dissertation, Co-Chair with Paula Davis, Ph.D.). Evaluating activity presentation formats and the use of staff interaction to increase activity engagement in older adults with Alzheimer's disease

2011 **Dai, M.** (thesis). The Effects of Visual Prompt on Pedestrian Safety

Kooistra, L. (thesis, Co-Chair with Nicole Heal, Ph.D.). A Preliminary Descriptive Assessment on Problem Behavior and Appropriate Behavior in a Preschool Classroom.

2012 **Allen, M.** (thesis). Evaluating the efficacy of and preference for auditory and visual signals on functional communication under escape conditions.

- Rech, H.** (research paper)
Beattie, S. (thesis). Evaluation of Preference and Subsequent Stimulus Engagement among Older Adults with Dementia
Buchmeier, A. (thesis). Varied and Novel Activity Selection by Adults with Developmental Disabilities.
- 2013**
Oleson, C. (thesis).
Hathaway, K. (thesis).
Bocock, S. (thesis)

Grants/contracts applied for

2013 **Illinois Department of Aging**, collaborative research project with River to River, Inc. to design efficacious behavior analytic approaches to keep

older adults with dementia from transitioning to nursing homes and to reduce staff turnover.

- 2012 **Research In Retirement**, collaborative research project with River to River, Inc. to design efficacious behavior analytic approaches to keep older adults with dementia from transitioning to nursing homes and to reduce staff turnover.
- 2010, 2011 **CBAT**, collaborative contract with Choate Mental Health to fund two doctoral and two masters level graduate students to serve as behavior therapists for the facility.
- 2010 **MBAT**, collaborative contract with Murray Developmental Center to fund three doctoral and three masters level graduate students to serve as behavior therapists for the facility.
- 2010, 2011 **Undergraduate Assistant Fund**, Academic Scholarship Office grant awarded to fund on-campus, paraprofessional employment opportunities for SIUC undergraduate students. Students selected for an Undergraduate Assistantship are able to work directly with a faculty member or professional level staff member in a position that is related to their career path and/or academic discipline.

Grants/Contracts awarded

- 2013 **Illinois Department of Aging**, collaborative research project with River to River, Inc. to design efficacious behavior analytic approaches to keep older adults with dementia from transitioning to nursing homes and to reduce staff turnover. Two year project, total award: \$107,744.
- 2013 **Project 12-ways (grant, CO-PI)**, Grant from the Illinois Department of Human Services and the Illinois Department of Family and Children Services to provide behavior analytic training to families. Amount awarded: \$750,000.
- 2013 **CBAT (contract, PI)**, collaborative contract with Choate Mental Health to fund one doctoral and one masters level graduate students to serve as behavior therapists for the facility. Amount awarded: \$38,000
- 2012 **Project 12-ways (grant, CO-PI)**, Grant from the Illinois Department of Human Services and the Illinois Department of Family and Children Services to provide behavior analytic training to families. Amount awarded: \$750,000.

- 2012 **CBAT (contract, PI)**, collaborative contract with Choate Mental Health to fund one doctoral and one masters level graduate students to serve as behavior therapists for the facility. Amount awarded: \$38,000
- 2011 **CBAT (contract, PI)**, collaborative contract with Choate Mental Health to fund one doctoral and one masters level graduate students to serve as behavior therapists for the facility. Amount awarded: \$38,000
- 2010 **CBAT (contract, PI)**, collaborative contract with Choate Mental Health to fund two doctoral and two masters level graduate students to serve as behavior therapists for the facility. Amount awarded: \$60,000
- 2010, 2011 **Undergraduate Assistant Fund (PI)**, Academic Scholarship Office grant awarded to fund on-campus, paraprofessional employment opportunities for SIUC undergraduate students. Students selected for an Undergraduate Assistantship are able to work directly with a faculty member or professional level staff member in a position that is related to their career path and/or academic discipline.

Clinical Experience

- 2009 - present **Faculty Supervisor**
Sites: BRICS, MBAT, CBAT, Rehab and Care Center of Jackson County, River to River, Inc.
Supervisees: Graduate Therapists
Populations: Adults with cognitive and/or developmental disabilities
Duties: Served as Board Certified Behavior Analyst supervisor for graduate students conducting practica in state institutions and nursing homes. Conducted weekly supervision meetings with all therapists, as well as individual meetings to aid in the development and maintenance of behavior plans, professional skills (e.g., working in interdisciplinary settings) as well as aid in the supervision of undergraduate practicum students
- 2008-2009 **Faculty Supervisor**
Sites: Kalamazoo County Community Mental Health; Alliance Senior Day Service, Center for Disability Services
Supervisees: Graduate therapists
Populations: Adults with cognitive and/or developmental disabilities
Duties: Served as Board Certified Behavior Analyst supervisor for graduate students conducting practica in aging, community health and day center settings. Conducted weekly supervision meetings with all therapists, as well as individual meetings to aid in the development and maintenance of behavior plans, professional skills (e.g., working in interdisciplinary settings) as well as aid in the supervision of undergraduate practicum students.

- 2007-2008 **Practicum:** Behavior Analysis (Paid)
Site: Kalamazoo County Community Mental Health
Population: Adults with cognitive and/or developmental disabilities
Duties: Conducted functional assessments, designed behavior plans, trained key staff in behavior plan implementation, and continual data collection. Worked with interdisciplinary treatment teams consisting of supports coordinators, nurses, occupational therapists, and caregivers to design optimal treatment plans for high-risk individuals in Kalamazoo County.
- 2005-2007 **Practicum:** Behavior Analysis
Site: Alliance Senior Day Service
Population: Older adults with cognitive and/or developmental disabilities
Duties: Conducted functional assessments, designed behavior plans, trained staff and undergraduate practicum students in behavior plan implementation, oversaw undergraduate practicum students and advanced practicum students, collected data, and administered assessments.
- 2003-2005 **Practicum:** Gerontology
Site: Brandon Woods Nursing Home
Population: Older adults with dementia
Duties: Practical experience working with older adults in nursing home settings
- 2002 **Practicum:** Older Dementia and DD Populations
Site: Alliance Senior Day Service: multi-disciplinary adult day program
Population: Dementia, physically frail older adults with dementia, and aging adults with developmental disabilities
Duties: Providing one on one attention and implementing behavior plans with individuals whose special needs require more intervention, as well as experience in data collection, administration of psychological instruments, and collection/calculation of IOA. In addition, students design a group project that they implement.
- 2002 **Practicum:** Special Populations
Site: Croyden Avenue School
Population: Autistic impaired and developmentally disabled students
Duties: Discrete trial-training with autistic impaired individuals, ages 2-6 years. Trials included the use of positive reinforcement to increase appropriate behavior (including ADLs), PECS for non-verbal clients, reinforcer assessments each week, as well as penalty (time-out from attention) and extinction for inappropriate behaviors. In addition to discrete trials, duties included the delivery of non-contingent social reinforcement every 30 seconds during each two-hour session.

Certifications

- 2009 **Board Certified Behavior Analyst – Doctorate # 1-07-3377**, certificate demonstrates holder’s knowledge of behavioral techniques, concepts, and procedures and that the certificate holds a Ph.D. in behavioral psychology. Certifies that the BCBA-D will engage in ethical and effective behavior analytic interventions based on published research and designs and will deliver instruction in behavior analysis.
- 2007 **Board Certified Behavior Analyst # 1-07-3377**, certificate demonstrates holder’s knowledge of behavioral techniques, concepts, and procedures. Certifies that the BCBA will engage in ethical and effective behavior analytic interventions based on published research and designs and will deliver instruction in behavior analysis.
- 2005 **Graduate Certificate in Gerontology from University of Kansas, Gerontology Department**, certificate demonstrates holder’s application of specialized knowledge of the social, psychological, demographic, and biomedical aspects of aging to their professional discipline.

Awards and Honors

- 2013 **This is SIU: Student & Faculty/Staff Spotlight Series**, an online post made by the SIU Social Media Team which highlights some of the outstanding members of the SIU faculty.
- 2012 **Outstanding Scholar Excellence Award**, College of Education and Human Services, Southern Illinois University, awarded to a single faculty member from the College each year for his or her outstanding contributions to the discipline and who has thus become widely recognized for achievements by other scholars in the field.
- 2008 **George and Beatrice Fisher Gerontology Dissertation Prize**, award recognizing doctoral dissertations that best advance the study and understanding of the process of aging
- 2007 **Behavioral Gerontology SIG student presenter award**, award recognizing the best student presentation at the Annual Association for Behavior Analysis conference related to behavioral gerontology
- 2003 **Golden Key Honors Society**, membership awarded for academic excellence
- 2003 **Psi Chi - Psychology National Honors Society**, membership awarded for academic excellence

2003 **Deans List**, awarded for academic achievement

Professional Affiliations

2010 – 2012 Member, Association for Professional Behavior Analysts (APBA)

2005-present Member, Association for Behavior Analysis International (ABAI)

2003-present Member, ABAI Behavioral Gerontology Special Interest Group (SIG)

2010 – present Member, ABAI Behavior analysts interested in gambling SIG

2005-2009 Member, Behavior Analysts Association of Michigan

2003-2004 Student Member, Kansas ABA

2002 Student Member, American Society on Aging

2002, 2005-present Member, Mid-American Association of Behavior Analysis (MABA)

Invited Workshops

Baker, J. C. (February, 2012). Approaches to Providing Behavioral Supports for Adults and Older Adults with Developmental Disabilities.

LeBlanc, L. A., & Baker, J. C. (September, 2008). Behavioral assessment and intervention planning. Workshop for supports coordinators and program directors working with persons with developmental disabilities through Kalamazoo Community Mental Health and Substance Abuse Services.

Invited presentations

Baker, J. C. (February, 2013). Development and treatment utility of a behavioral assessment for aphasia. California Association for Behavior Analysis annual convention in Garden Grove, California.

Baker, J. C. (April, 2012). Applications of Behavioral Gerontology with Older Adults with Dementia. Illinois Association for Behavior Analysis annual convention in Champaign, Illinois.

Baker, J. C. (February, 2012). Applications of Behavioral Gerontology with Older Adults with Dementia. Texas Association for Behavior Analysis annual convention in Austin, Texas.

- Baker, J. C. (November 2011). Applications of Behavioral Gerontology with Older Adults with Dementia. Missouri Association for Behavior Analysis annual convention in St. Louis, MO.
- Baker, J. C. (March 2010). Behavioral gerontology and gambling research: The jackalope of behavior analysis. BIG-SIG annual convention in Reno, NV.
- Baker, J. C. (September, 2007). Managing disruptive behaviors. Fourth Annual Professional Caregiver Appreciation Day, supported by the Kalamazoo County Aging Issues Forum.

Symposia and presentations

- Baker, J. C., Hood, S., & Mattingly, J. (2010). An Evaluation of Healthy Food Choices in Nursing Home Dwelling Older Adults With Diabetes. In L. Feliciano (Chair) A Behavioral Prescription for Middle-Aged and Older Adults: Eat Better, Sleep Better, and Get Active. Association for Behavior Analysis International convention in San Antonio, TX.
- Baker, J. C., & LeBlanc, L. A. (2009). Acceptability of interventions to staff in long-term settings for older adults: Comparing ratings and hierarchical selection. Association for Behavior Analysis International convention in Phoenix, AZ.
- Baker, J. C., & LeBlanc, L. A. (2009). Acceptability of interventions to staff in long-term settings for older adults: Comparing ratings and hierarchical selection. In J. C. Baker (Chair) Applications of Behavior Analysis at Western Michigan University. Behavior Analysts Association of Michigan convention in Ypsilanti, MI.
- Baker, J. C., LeBlanc, L. A., Hilton, L. C., Raetz, P. B. (March, 2008). Decreasing hoarding in a person with dementia. Behavior Analysts Association of Michigan convention in Ypsilanti, MI.
- Baker, J. C., LeBlanc, L. A., Hilton, L. C., Raetz, P. B. (November, 2007). Decreasing hoarding in a person with dementia. In L. Burgio (Chair) Symposium on Restraint Free Environments for Persons with Dementia. Gerontological Society of America convention in San Francisco, CA.
- Baker, J. C., LeBlanc, L. A., & Raetz, P. B. (2007, May). Conceptualizing and treating aphasia using a behavior analytic model. In B. E. Esch (Chair) Symposium on Verbal behavior: Experimental evaluations and conceptual analyses. Association for Behavior Analysis Internatinoal convention in San Diego, CA.
- Baker, J. C., Hanley, G. P., & Mathews, R. M. (2006, May). Staff administered functional analysis and treatment of aggression by an elder with dementia. In J. C. Baker (Chair) Symposium on functional assessment methods in older adults. Association for Behavior Analysis convention in Atlanta, GA.

- Raetz, P. B., Baker, J. C., & LeBlanc, L. A. (2006, May). An evaluation of the utility of multimedia stimuli in conjunction with the pleasant events schedule for assessing preferences of elders with dementia. Association for Behavior Analysis convention in Atlanta, GA.
- Baker, J. C., Hanley, G. P., & Mathews, R. M. (2006, March). Staff administered functional analysis and treatment of aggression by an elder with dementia. In L. A. LeBlanc (Chair) Symposium on research in older adults. Behavior Analysts Association of Michigan convention in Ypsilanti, MI.
- Raetz, P. B., Baker, J. C., & LeBlanc, L. A. (2006, March). An evaluation of the utility of multimedia stimuli in conjunction with the pleasant events schedule for assessing preferences of elders with dementia. In L. A. LeBlanc (Chair) Symposium on research in older adults. Behavior Analysts Association of Michigan convention in Ypsilanti, MI.

Posters

- Hood, S., Baker, J. C., Fairchild, K., Mattingly, J., & Dixon, M.R. (2010, October). *An Evaluation of Healthy Food Choices in Nursing Home Dwelling Older Adults With Diabetes*. Poster presented at the 10th Annual Convention of the Midwest for Behavior Analysis, Lake Geneva.
