1) As always, if anybody has items that they would like to add to the weekly Saluki Spirit Announcements, please send them to Dr. Phil Anton at:

panton@siu.edu

The Announcements are designed to reflect Saluki Spirit in all aspects of campus and the community, so send whatever you want from any corner of southern Illinois. Pictures are always a great addition.

2) There is a growing group of Saluki Spirit Liaisons who represent their Dept, unit, campus office, student group, community business, civic group, etc. There isn’t a lot involved with the Liaison job - basically just forwarding on information received from Dr. Anton on a weekly basis. The idea is to get Liaisons for all campus and community groups, so that when the Announcements come through, they are coming from someone whose name is familiar to those they are sending them to - basically a grass-roots movement. If you know of anyone who might be interested in serving in this role, please have them contact Dr. Anton.

3) #SalukiFriday is upon us again: remember to wear your Saluki gear on Fridays!

Also, send pics of your group(s) to Dr. Anton, as well as Randy Johnson at 710: randyj@seventen.com Photos will be featured in the Saluki Spirit Announcements and on 710’s Facebook and Twitter platforms.

4) This week on #SalukiFriday we are visiting the Saluki Student Athlete Support Services office. Those pictures will be up on Friday on the "SIUC Department of Kinesiology" Facebook page (https://www.facebook.com/SIUC-Department-of-Kinesiology-201366063240550/), on our Twitter page: https://twitter.com/SalukiSpirit (Swing by and give us a follow @SalukiSpirit), and our “salukispirit” Instagram page.

The winner of the Facebook Poll on the Dept. of Kinesiology page for the pics taken with the SIUC Office of Student Engagement last week is at the end of the Announcements.

5) Bill Bruns, Deputy Director of the Student Center, was selected as the recipient of the 2017 Lindell W. Sturgis Memorial Public Service Award. Congrats, Bill!

8) With temps continuing to be high, many are concerned that their lawns won’t survive the heat wave. The Saluki Green Action Team reports that watering your lawn at night or during the early morning hours can reduce evaporation 30 percent or more, depending on your location. Post your water conservation methods to their Facebook page (https://www.facebook.com/SIUgreenaction/) or tag them on Instagram/Twitter (@siugreenaction) to be entered for a chance to win this month’s prize!

9) Saluki Women’s and Men’s Swimming and Diving earned recognition as College Swimming Coaches Association of America (CSCAA) Scholar All-America teams for 2017. The Saluki men combined for a 3.36 team grade point average, the 20th-best in the nation, while the women earned a 3.59 team GPA, which was good for 27th nationally. Well done all!

10) The Illinois Urban Fishing Program is now open for registration with sessions running through Aug. 15. For more info, go to:
