COURSE GOALS AND TOPICS

Brief Summary of Course Goals and Topics

The Administration and Supervision of the Elementary School is a critical study of research and writing with implications for the elementary principalship. The activities for this course align with the College of Education and Human Services (COEHS) Conceptual Framework (CF), the Illinois State Board of Education (ISBE), Strands of the Distinguished Principal, the National Council for Accreditation of Teacher Education (NCATE) requirements, and the Interstate School Leaders Licensure Consortium (ISLLC) /Educational Leadership Constituency Council (ELCC) Standards for Advanced Programs in Educational Administration. Students will examine P-12 educational issues and problems with particular emphasis on elementary schools.
