

## **Competitive Admission Process – Communication Disorders and Sciences**

Graduate Program: Undergraduate GPA of 3.5 or higher at the end of Fall Semester prior to graduation, offered admission.

1. Standard admission criteria:
  - A. GPA last 45-60 credit hours of 2.7 as indicated by the SIUC Graduate School - requests for exception to the 2.7 GPA may be possible if admissions committee identifies additional strengths such as trending positive GPA, strong GPA in communication disorders and sciences courses, or other than academic experiences that strengthen a packet
  - B. Students take the GRE but there is not minimum requirement.(please note the GRE requirement was suspended for 2021 due to Covid-19)
  - C. Students write a personal statement that is reviewed by the admissions committee members
  - D. Students complete a resume portion of the online application through communication sciences and disorders application system (CSDCAS) and  
d. students supply a minimum of three reference letters.
